## NO HARDWARE, NO HEADACHES.

NUvoice is a great solution for your business phone system! Hosting your phone service in the cloud with Networks Unlimited gives you the same voice and collaboration experience as an expensive and quickly outdated system, but saves time and money. You won't need to invest in the costly capital expenses, maintenance, and service fees because NU already has those covered. You just get great call quality, reliability, and an easy-to-manage business phone system in one low monthly price.

NUvoice offers the best phone features:

- Voice mail
- Caller ID
- Call forwarding
- Directory
- Call transfer
- Dial by name
- Flexible routing
- Conferencing
- Speed dial
- Call logs
- Intercom
- Call waiting
- Call blocking
- Voice mail to email
- Temporary greetings
- Message indicator
- Multi-site integration
- Multiple ring groups
- Extension transferring
- Music on hold
- Dial by extension
- Password protected
- Custom greetings
- And MORE!

# NUVOICE WAS SEAMLESSLY INSTALLED IN OUR OFFICE ALLOWING US TO HAVE ALL THE FEATURES OF A LARGE, EXPENSIVE PHONE SYSTEM AT A FRACTION OF THE COST.

- Town of Rangely
